

The application form for participation in the specified international conference
(from the 01st of November 2014 y. the list of reporters is formed)

The organization _____ (the name of organization)
The sub. organization _____ (the name of subordinated organization)
The division _____ (the name of division)
The post _____ (the name of post)
The scientific degree _____ (the name of post) The scientific rank _____
First name _____ (the name of scientific degree) (the name of scientific rank)
Middle initials _____ (First name)
Last name _____ (Middle initials)
The work address _____ (Last name)
_____ (the country, index)
_____ (the city, street)
_____ (the house, cabinet or office)

The work phone _____ The work fax _____
_____ (the work phone number) (the work fax number)
The work el. address of the inf. resource _____
The work el. address of the el. post _____ (the work address of el. information resource WWW)
The home address _____ (the work address of electronic post E-mail)
_____ (the country, index)
_____ (the city, street)
_____ (the house, flat)

The home phone _____ The home fax _____
_____ (the home phone number) (the home fax number)
The home el. address of the inf. resource _____
The home el. address of the el. post _____ (the home address of el. information resource WWW)
The UDC and the name of report _____ (the home address of electronic post E-mail)
_____ (the codicator UDC of scientific report by the list of "The VINITI" of "The RAS")
_____ (the name of scientific report)

The multimedia projector _____
_____ (it is necessary, it is not necessary)
The necessary add. equipment for the performance in "The SIO "ACNS""
_____ (it is necessary, it is not necessary)

The sciences in "The SIO "ACNS"" _____
The direction in "The SIO "ACNS"" _____ (the code of direction, abbreviation by the list of directions)
The section in "The SIO "ACNS"" _____ (the code of section, abbreviation by the list of sections)
The sciences in "The SIO "ACNS"" _____ (the code of sciences, abbreviation by the list of sciences)
The branch in "The SIO "ACNS"" _____ (the code of branch, abbreviation by the list of branches)
The section in "The SIO "ACNS"" _____ (the code of section, abbreviation by the list of sections)

The post in "The SIO "ACNS"" _____
The post in "The SRI "SFA CMT"" _____ (the code of post, abbreviation by the list of posts)
The post in "The SF "SFA CMT"" _____ (the code of post, abbreviation by the list of posts)
The post in "SPbEC" at "EAST"" _____ (the code of post, abbreviation by the list of posts)

The own attendants in "The SIO "ACNS"" _____ and in "SPbEC" at "EAST"" _____
_____ (1-4 persons) under the additional contract)
The ext. (add.) attendants in "The SIO "ACNS"" _____ and in "SPbEC" at "EAST"" _____
_____ (1-4 persons) under the additional contract)

The quantity of places in "SPbEC" at "EAST"" _____
The pavilion _____ The section _____ The places _____ The posters _____
_____ (the number of pavilion) (the number of section) (the quantity of places) (the quantity of posters)
The PCs _____ The notebooks _____ The LAN/Internet _____ The printer _____
_____ (the number of notebooks) (none, type of channel) (none, type of printer)

The necessary multimedia devices for the dem. in "SPbEC" at "EAST""
_____ (not necessary, the name of multimedia device: input, output, audio, video)

The necessary spec. devices for the dem. in "SPbEC" at "EAST""
_____ (not necessary, the name of special device)

The quantity of places in the numbers of "The hotel "Karelia"" _____
_____ (1-5 persons) under the arrangement)
The quantity of places in buffet table at restaurant at hotel _____
_____ (1-5 persons) under the arrangement)

We ask to confirm Your arrival not later, than for 2 months prior to the beginning of the specified international conference.

THE LOCATION (the address of organizing committee)

1. The coordination and support of the specified international conference in "The Government of The RF", "The RA(N)S", "SPbEC" at "EAST", "The hotel "Karelia"" ("Intourist hotel group") and other organizations (see the list of elements and stages of the specified int. conference) – "The Executive office of The President of The RF" to the address The RF, 103132, Moscow city, street Ilyinka, h. 23 (the st. of underground "Kitay-gorod" and st. of underground "Lubyanka").
"The Executive office of The Government of The RF" to the address The RF, 103274, Moscow city, Krasnopresnenskaya embankment, h. 2 (the st. of underground "Krasnopresnenskaya" and st. of underground "Bamkadnaya").
2. The coordination and formation of the list of organizations-participants with the reporters, the basic list in "The SIO "ACNS"" and additional list of allowed reporters in "The SIO "ACNS"" (see the list of necessary and sufficient projects of documents) – "The AUT CMT SFA", academician of (natural) sciences ("The SIO "ACNS") A.N. Vetrov to the address The RF, 195248, Saint-Petersburg city, prospect Energetikov, h. 36, fl. 82 (the st. of underground "Ladozhskaya" and st. of underground "Novochoerkasskaya"), E-mail: info@vetrovvan.spb.ru, vetrovvan@nwgsn.ru, siaocns@mail.ru, sfacmt@mail.ru, sfacmtfund@mail.ru, ecast@mail.ru, Phone/Fax: +7(812)222-5291.
3. The basic list of allowed reporters in "The SIO "ACNS"" (see the list of sciences, the lists of branches and directions and the list of sections) to the address The RF, 195248, Saint-Petersburg city, prospect Energetikov, h. 36, fl. 82 (the st. of underground "Ladozhskaya" and st. of underground "Novochoerkasskaya"), E-mail: info@vetrovvan.spb.ru, vetrovvan@nwgsn.ru, siaocns@mail.ru, sfacmt@mail.ru, sfacmtfund@mail.ru, ecast@mail.ru, Phone/Fax: +7(812)222-5291.
4. The additional list of allowed reporters in "The SIO "ACNS"" (see the list of sciences, the lists of branches and directions and the list of sections) to the address The RF, 195248, Saint-Petersburg city, prospect Energetikov, h. 36, fl. 82 (the st. of underground "Ladozhskaya" and st. of underground "Novochoerkasskaya"), E-mail: info@vetrovvan.spb.ru, vetrovvan@nwgsn.ru, siaocns@mail.ru, sfacmt@mail.ru, sfacmtfund@mail.ru, ecast@mail.ru, Phone/Fax: +7(812)222-5291.
5. The open demonstration of achievements in the field of science, technology and education in "SPbEC" at "EAST" to the address The RF, 195248, Saint-Petersburg city, prospect Energetikov, h. 36, fl. 82 (the st. of underground "Ladozhskaya" and st. of underground "Novochoerkasskaya"), E-mail: info@vetrovvan.spb.ru, vetrovvan@nwgsn.ru, siaocns@mail.ru, sfacmt@mail.ru, sfacmtfund@mail.ru, ecast@mail.ru, Phone/Fax: +7(812)222-5291.
6. The residing of reporter and one (four) accompanying (as agreed) in Saint-Petersburg city for the period of time of carrying out of the specified international conference in the preliminary reserved (booked) place(s) in the number(s) of "The hotel "Karelia"" ("Intourist hotel group") to the address The RF, 195067, Saint-Petersburg city, street Maslennaya, h. 27, build. 2 (the st. of underground "Ladozhskaya" and st. of underground "Novochoerkasskaya"), E-mail: reserv@karelia.spb.ru, Phone: +7(812)718-4048, Fax: +7(812)326-4726.

THE REGISTRATION OF PARTICIPANTS

The beginning of participants registration:
From the 01st of November 2014 y. (from 11:00 to 21:00)
to the 01st of March 2015 y. (from 11:00 to 21:00)
in the organizing committee

(at first, - in the organization-participant,
at "The AUT CMT SFA", academician of (natural) sciences
("The SIO "ACNS") A.N. Vetrov,
in "The SIO "ACNS", in "The RA(N)S" and "The Government of The RF";
at second, - in "SPbEC" at "EAST",
and "The hotel "Karelia"" ("Intourist hotel group"))).

**The Opening and Plenary session
of The international conference will take place
in the open boardroom of "The SIO "ACNS""
on the 01st of March 2015 y. in 10 h 30 min**

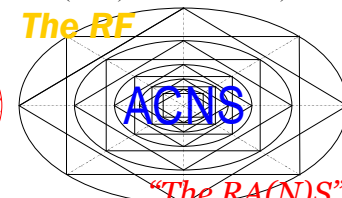

1. The formal examination – the specified package of accompanying documents.
2. The examination in essence – the materials of scientific reports and (or) multimedia-presentations are sent by mail from the chosen reporter from organization-participant and (or) the head of org.-participant to the addresses of org. committee ("The AUT CMT SFA", academician of (natural) sciences ("The SIO "ACNS") A.N. Vetrov – 1 piece) only after formal examination of the specified package of documents and under the preliminary arrangement with the org. committee only.

ORGANIZING COMMITTEE

1. "The President of The RF" ("The Presidents of the foreign countries").
2. "The Government of The RF" ("The Governments of the foreign countries").
3. "The Administration of Saint-Petersburg city" ("The Administrations of other cities").
4. "The International Higher education academy of sciences".
5. "The Russian academy of (natural) sciences".
6. "The SIO "Academy of cognitive natural sciences".
7. The really working author, the head, the executor, the legal owner and potential patentee of the unique cognitive modeling technology and scientific direction "Cognitive computer science, cognitive modeling technology for the system and financial analysis" ("The AUT CMT SFA"), academician of (natural) sciences ("The SIO "ACNS") A.N. Vetrov; the objects and subjects of research: information-educational environments, (credit) organizations and objects of theoretical mechanics on spec. 05.13.01, 05.13.10, 19.00.02 (19.00.03) (technical sciences), on spec. 08.00.10 (economical sciences), on spec. 01.02.01 (physical-mathematical sciences), researches in the field of physical chemistry (spec. 02.00.04), molecular biology (spec. 03.00.03) are conducting.
8. "The SRI "System and financial analysis based on cognitive modeling technology" of "The RA(N)S" named after V.N. Veniaminov".
9. "The SF "System and financial analysis based on cognitive modeling technology" named after N.A. Prokopenko".
10. "Saint-Petersburg exhibition centre named after L.I. Brezhnev" at "Exhibition of achievements of science and technology n.a. A.A. Sobchak".
11. "The park of the 50th-century of The Great October socialistic revolution named after V.I. Ulyanov (Lenin)".
12. "The hotel "Karelia"" ("Intourist hotel group").

THE WORKING LANGUAGES

The international foreign language – English language
(The United kingdom of Great Britain and Northern Ireland).
The national language – Russian language (The RF).
Translation under the preliminary coordination with org. committee.

THE REQUIREMENTS, ORDER OF REPRESENTATION AND THE LIST OF NECESSARY DOCUMENTS SUFFICIENT FOR THE PARTICIPATION

The requirements, order of representation and projects of documents of the reporter and the organization-participant for the participation in the specified international conference are submitted on the scientific-educational portal of "The AUT CMT SFA", academician of (natural) sciences ("The SIO "ACNS") A.N. Vetrov www.vetrovan.spb.ru and the information resources of organizing committee.

THE REQUIREMENTS TO REGISTRATION AND REPRESENTATION OF SCIENTIFIC REPORT AND (OR) MULTIMEDIA-PRESENTATION

The requirements to registration and representation of the scientific report and (or) multimedia-presentation of reporter are presented on the scientific-educational portal of "The AUT CMT SFA", academician of (natural) sciences ("The SIO "ACNS") A.N. Vetrov www.vetrovan.spb.ru and the information resources of organizing committee.

SUBJECTS

1. The open performances of reporters ((non)residents) with scientific reports and (or) multimedia-presentations are carried out on 13 branches and 26 sections of "The SIO "ACNS" on "The 1st international conference on fundamental sciences "Actual problems of modern science and technology: cognitive approach" (the 01st-31st of March 2015 v.).
- The branch 1. "Cognitive modeling in the mathematical sciences" ("OMN").
 1. Section "The theory of the mathematics and complex system analysis based on cognitive modeling technology" ("SM")(*).
 2. Section "The theory of the cybernetics and (Cognitive) computer science" ("SPMI")(*).
- The branch 2. "Cognitive modeling in the physical sciences" ("OFN").
 1. Section "The theory of the physics, astronomy and space researches" ("SOFA")(*).
 2. Section "The theory of the nuclear physics and physics of atomic nucleus" ("SYF")(*).
- The branch 3. "Cognitive modeling in the nano-technologies and information technologies" ("ONIT").
 1. Section "The theory of the electronics, radio-technics and connection" ("SVLTSEB")(*).
 2. Section "The theory of the automatics, computer engineering and system analysis based on cognitive modeling technology" ("SITA")(*).
 3. Section "The theory of the nano-technologies for the mechanical engineering, instrument making, polygraphy, reprography and foto-cinema-technics, easy and food-processing industry, transport, architecture and construction" ("SNT")(*).
- The branch 4. "Cognitive modeling in the exact sciences" ("OEMMPU").
 1. Section "The theory of the (theoretical) mechanics and gyroscopes" ("SM")(*).
 2. Section "The theory of the mechanical engineering, instrument making and metrology" ("SPMPU")(*).
 3. Section "The theory of the power engineering and electrical-technics" ("SE")(*).
- The branch 5. "Cognitive modeling in the industry and chemical sciences" ("OHNM").
 1. Section "The theory of the easy, food, wood and wood processing industry, the architecture and construction, the agricultural, wood, water, fish economy and aqua-culture" ("SNM")(*).
 2. Section "The theory of the chemistry, chemical technology and chemical industry" ("SCHN")(*).
- The branch 6. "Cognitive modeling in the biological sciences" ("OBN").
 1. Section "The theory of the biology and pharmacology" ("SOB")(*).
 2. Section "The theory of the physical-chemical biotechnology" ("SFCHB")(*).
- The branch 7. "Cognitive modeling in the physiology, fundamental medicine and public health services" ("OFFM").
 1. Section "The theory of the physiology, bio-physiology and private physiology" ("SF")(*).
 2. Section "The theory of the medicine, public health services, labor safety, environment preservation and ecology of person" ("SFM")(*).
- The branch 8. "Cognitive modeling in the sciences about The Earth" ("ONZ").
 1. Section "The theory of the geo-physics, geology, mining and metallurgy" ("SGGGN")(*).
 2. Section "The theory of the oceanology, structure and physics of atmosphere, geodesy, cartography and geography of The Earth and planets" ("SOAG")(*).
- The branch 9. "Cognitive modeling in the social sciences" ("OON").
 1. Section "The theory of the social sciences, philosophy, science of science, politics and political sciences, sociology, cognitive (psychology), state, law and jurisprudential sciences, patenting business, invention and rationalization work" ("SFSPSP")(*).
 2. Section "The theory of the economics and economical sciences, organization, management, statistics and financial analysis based on cognitive modeling technology" ("SE")(*).
- The branch 10. "Cognitive modeling in the global problems and international relations" ("OGPMO").
 1. Section "The theory of the demography, pedagogics and national education, standardization, complex studying of the separate countries and regions, general and complex problems of natural, exact, technical, social and applied sciences and manufacture branches" ("SGP")(*).
 2. Section "The theory of the culture and cultural science, art and art science, mass communication, journalism and mass media means, religion, internal trade and tourist-excursion service, external trade, transport, housing-communal services, housekeeping and consumer services at international level" ("SMO")(*).
- The branch 11. "Cognitive modeling in the historical-philological sciences" ("OIFN").
 1. Section "The theory of the history and historical sciences" ("SI")(*).
 2. Section "The theory of the science of language, (cognitive) linguistics, literature, science of literature and oral national creativity" ("SYL")(*).
- The branch 12. "Cognitive modeling in the sport sciences" ("OSN").
 1. Section "The theory of the competitions, sport and sport sciences" ("STSSN")(*).
- The branch 13. "Cognitive modeling in the military sciences" ("OVN").
 1. Section "The theory of the architecture, construction, technics, history, education, politics and economics in the armed forces" ("STASTIOPEVS")(*).

- II. The open performances of reporters ((non)residents) with scientific reports and (or) multimedia-presentations are carried out on 9 directions and 27 sections of "The SIO "ACNS" on "The 1st international conference on applied sciences "Improvement of quality in modern (credit) organization: cognitive approach" (the 01st-31st of October 2015 v.).
- The direction 1. "Cognitive modeling in the natural sciences" ("NEN").
 1. Section "The applications of the (Cognitive) computer science, cybernetics, automatics, computer engineering, data transmission and connection" ("SIC")(*).
 2. Section "The applications of the mathematics, mathematical physics, mechanics, metrology, astronomy, space researches, complex system analysis based on cognitive modeling technology and complex problems of natural sciences" ("SMMF")(*).
 3. Section "The applications of the geo-chemical ecology and preservation of environment" ("SNOS")(*).
 4. Section "The applications of the models of The Earth and The Solar system planets in the geography, geology, geodesy, cartography, astronomy and other sciences" ("SNZ")(*).
 5. Section "The applications of the models, methods and technologies of the geology of oil and gas and oil and gas industry" ("SNG")(*).
 6. Section "The applications of the system analysis based on cognitive modeling technology, prediction, standardization, unification and complex problems of exact technical sciences" ("SSAP")(*).
 7. Section "The applications of the theoretical and experimental physics, geo-physics, power engineering, electrical-technics, electronics and radio-technics, nuclear physics, technics and instrument making" ("SF")(*).
 8. Section "The applications of the (non)organic, chemistry, crystallography, mineralogy and chemical industry" ("SH")(*).
- The direction 2. "Cognitive modeling in the applied technical sciences and technologies" ("NNT").
 1. Section "The applications of the mining and metallurgy" ("SGM")(*).
 2. Section "The applications of the sciences about wood and wood processing" ("SNL")(*).
 3. Section "The applications of the noo-sphere knowledge and technologies: the (heavy) mechanical engineering, instrument making, polygraphy, reprography and foto-cinema-technics, easy and food-processing industry, transport, architecture, construction and other branches" ("SNZT")(*).
 4. Section "The applications of the scientific problems of agro-industrial complex" ("SNPAK")(*).
- The direction 3. "Cognitive modeling in the geo-political sciences and researches" ("NSGI").
 1. Section "The applications of the geo-politics and safety" ("SGB")(*).
 2. Section "The applications of the classical and military history" ("SVT")(*).
- The direction 4. "Cognitive modeling in the society steady development of postindustrial country" ("NURS").
 1. Section "The applications of the complex problems of country development" ("SPUR")(*).
- The direction 5. "Cognitive modeling in the social-economical and jurisprudential sciences" ("NSEPP").
 1. Section "The applications of the interbranch jurisprudential and economical system researches of society and country" ("SMEESI")(*).
 2. Section "The applications of the complex problems of micro-macro-economics, social sphere and market economy of the country" ("SPMSRH")(*).
 3. Section "The applications of the economics, management, sociology, statistics and their other branches" ("SES")(*).
 4. Section "The applications of the financial analysis, accounting and audit of (credit) organization based on cognitive modeling technology" ("SFABUA")(*).
- The direction 6. "Cognitive modeling in the biological and medical sciences" ("NBME").
 1. Section "The applications of the biology, ecology and physiology of plants" ("SBE")(*).
 2. Section "The applications of the biotechnology, biomedicine, ergonomics and labor safety of organic individuals" ("SB")(*).
- The direction 7. "Cognitive modeling in the humanitarian sciences, art and creativity" ("NGNOT").
 1. Section "The applications of the (cognitive) linguistics, (national) creativity, culture, art and religion" ("SGNT")(*).
 2. Section "The applications of the literature, science of science, philosophy, journalism and mass communication means" ("SLPZ")(*).
 3. Section "The applications of the problems of (cognitive) psychology, education, science and supports of young scientists (the grants programs and others)" ("SPOPMU")(*).
 4. Section "The applications of the innovations of project "The Russian encyclopedias, philosophy of science, technics and technology on branches of knowledge" ("SRE")(*).
- The direction 8. "Cognitive modeling in the physical training and sport" ("NFS").
 1. Section "The applications of the sport, sport sciences and actions" ("SSSNM")(*).
- The direction 9. "Cognitive modeling in the military sciences" ("NVN").
 1. Section "The applications of the architecture, construction, technics, history, education, politics and economics in the armed forces" ("SASTIOPEVC")(*).
