

Vetrov Anatoly Nikolaevich, author of the unique cognitive modeling technology
www.vetrovan.(spb.)ru

The RF, Saint-Petersburg city

THE FUNDAMENTAL SCIENTIFIC RESEARCHES BRANCH
“COGNITIVE MODELING IN THE SPORTS SCIENCES” (“OSN”)
OF “THE SIO "ACADEMY OF COGNITIVE NATURAL SCIENCES””

The developed “The fundamental scientific researches branch
"Cognitive modeling in the sports sciences"” (“OSN”)
treats to the fundamental scientific researches divisions
of “The SIO "Academy of cognitive natural sciences"” (“The SIO "ACNS””)
as main component of science and education system of the modern country
for creation, distribution and use of the main and derivative
scientific results of the cognitive modeling technology (CMT) (www.vetrovan.(spb.)ru)
[see the fundamental scientific researches branches and departments of “The SIO "ACNS””]:

1) it is executed by the principle of “administrative-economy submission”;
2) works in several main directions, which allow to provide
development of the fundamental main and derivative scientific results
(my second report on SRW from 2006-2008(9) y. was submitted
to “The SPbSETU "LETI”” and The Government of The RF
for the translation, carrying out of int. action and receiving of “The Nobel Prize”);
3) includes several various main divisions:
I. “The fundamental scientific researches department
"The theory of the competitions, sport and sports sciences”” (“STSSSN”)
*[the fundamental scientific researches in area
“Theoretical physical training and sport” –
theory of physical training and sport,
theory of medical-biological bases of physical training and sport,
theory of material-technical base of physical training and sport,
theory of methodical bases of kinds of sport, theory of sport competitions,
theory of cognitive modeling technology
in theoretical physical training and sport]*.

The fundamental scientific researches branches and departments of “The SIO "ACNS””
allow to develop the main and derivative scientific results of CMT.
